Mr. Gary France
1708 Panhandle St.
Denton, TX 76201

Dear Gary:

Just a brief note to thank you for all of your "behind the scenes" help at the recent Zildjian Day and the clinic at NTSU. I really appreciate your efforts and also your support of Yamaha drums. You are part of the team.

There is one other observation that I must make. Somehow it seems appropriate that one of the "Professor's" students would live on Panhandle Street.

Go for it!

Cordially,

YAMAHA MUSICAL PRODUCTS
