The Dean,
W.A. Academy of Performing Arts,
2 Bradford Street,
MOUNT LAWLEY WA 6050

Dear Sir,

I am writing to thank the Academy for the attendance of Mr. Gary France and his student Neil Craig at a recent percussion workshop held here in Albany.

The staff and twenty students attended this workshop from Albany, Mt. Barker, Denmark and Narrogin. All found it to be extremely interesting and informative. The interaction between Gary, Neil and students was terrific.

We hope that in future, this could be repeated and also request the possibility of a percussion ensemble touring our region in the near future to generate interest in the wider styles of percussion.

Yours faithfully,

P. RASMUSSEN
