Dear Gary and Sandy,

It is difficult to thank you adequately for your time, work, hospitality and friendship which made our week in Perth so wonderful. The musical activities were well performed by the students and immaculately organized (some day I'll tell you about the week at the VCA!) - but beyond that it was great to hang out together!

Getting to know people like the two of you is the absolutely best reason to go on tour. I look forward to seeing you both again and to telling people that the percussion class in Perth is alive and thriving!

Thanks again for everything,  
with warmest greetings also from Wendy,
