Dear Mr France,

Thank you, on behalf of the committee of the Percussive Arts Society for your assistance at our first Secondary Schools Ensemble Day.

I hope you enjoyed listening to the wealth of percussive talent on the day.

We appreciated the input of your talented young musicians and I know the audience enjoyed hearing music at such a high level of expertise.

I know you are very proud of your percussion ensemble and it was clear that they are a talented and well disciplined group of young people. Could you especially thank them for the way they assisted with the "Force 8" music.

We are hoping to hold a similar event in 1999. We would be delighted to include the Canberra Percussion Ensemble in our planning for this event and will contact you as soon as we have a date and venue.

Yours percussively,

Merrilee McNaught
(President)
