Dear Dr. France,

On behalf of Institut Seni Indonesia (ISI) Yogyakarta, I would like to extend our gratitude for the percussion master class you taught on February 16, 1994. I believe it was a great help to the percussion students and percussion teacher alike.

I also acknowledged if you have taken Javanese gamelan music course at the Department of Karawitan, Faculty of Performing Arts for three weeks period from February 1 - 21, 1994. I hope your short term course at ISI would have been beneficial.

Yours sincerely,

Victorious Ganap
