

Plalkin' My World

Small Actions, Big Impact

An affordable environmental and community service project for Rotary Clubs.

What is Plalkin' My World?

Plalkin' is an eco-friendly, active community based project inspired by the global trend of jogging—jogging while picking up litter. It's a great way for individuals, families, and groups to clean up their surroundings and improve local environments while staying active.

How Your Rotary Club Can Get Involved

Plalkin' My World provides a simple, effective way for Rotary Clubs to contribute to environmental sustainability while supporting fundraising efforts.

Wholesale Plalkin' Kits:

Each kit includes:

- » A Rotary-branded grabber with a QR code linking to a dedicated information and order web page.
- » A Rotary-branded, Plalkin' My World bag for litter collection.
- » A DL card with details to share with your community.

Pricing:

- » Purchase at the wholesale price: \$150 for 12 kits (plus freight).
- » Retail price: \$25 per kit

Resell or Give Away:

Clubs can resell the kits for \$25 each, doubling their investment. Alternatively, distribute the kits as part of a community service project, raising awareness and promoting positive local action.

Why Your Rotary Club Should Get Involved

- » **Fundraising Opportunity:** Purchase Plalkin' My World kits at wholesale cost, resell them for full price, and keep the profit for your club's projects.
- » **Positive Community Impact:** Help make your local community cleaner and healthier while promoting Rotary's commitment to service and the environment.
- » **Easy to Participate:** No special skills or experience required. Plalkin' is simple and accessible for everyone.

What's Included

Jerrabomberra Rotary Club provides:

- » Plalkin' My World kits in packs of 12, at wholesale prices
- » Point-of-purchase materials (DL cards, banner and posters) to help promote and sell the kits.

Get Started Today!

Join the Plalkin' movement, get your Plalkin' My World kits, and start making a difference in your community.
