Mr Gary France  
Canberra School of Music  
CANBERRA, ACT 2600

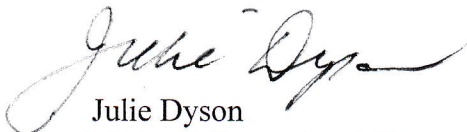

Dear Gary,

Having just resurfaced after a busy few months preparing and then winding up our 21<sup>st</sup> birthday celebrations, I'm taking time now to thank you very much for your invaluable contribution to our dinner. Your participation added a wonderful dimension to the spectacle of the evening. Your percussion effectively served to mark the opening, the call to dinner.

I have enclosed a donation for the Canberra School of Music student fund and hope that students of the school will be inspired in the future by your obvious natural love of music and rhythm.

Thank you once again. If we ever need percussion in the future yours will be the first number we call.

With best wishes,

Julie Dyson  
National Executive Officer
