Dear Sir,

Just a letter of thanks on behalf of the Denmark Agricultural District High School for allowing and financing Garry France and Neil Craig's visit to Albany.

The two day course was very successful, enjoyed by all and of great value to both students and tutors.

Garry's expertise and professionalism was of particular value to the tutors, whose skills in comparison were sadly lacking. Neil's contribution to the inservice was of great assistance to the large group of students, and the experience was of great value to his studies.
