Dear Gary:

I would like to take this opportunity to thank you for your fine efforts at the three summer programs at Skidmore College. All the student evaluation forms indicate a very positive attitude toward the programs.

I appreciate your cooperation, especially in coordinating duties for both Orchestral and Theatre, which helped make another successful season possible.

I am sure you will enjoy the enclosed recording of the School of Orchestral Studies' final concert.

All best wishes.

Sincerely,

Charles J. Trupia, Ed. D.
Administrator, New York State
