Dear Gary and "Associates",

On behalf of the percussion students at Syracuse University and the Percussive Arts Society-New York State Chapter, we wish to thank you for your participation in the "Day of Percussion".

Your display provided much of the "atmosphere" that, along with the guest artists and events, combined to make the D. of P. a truly memorable experience.

Best wishes to you and your colleagues on your new venture.

Sincerely,

Ernest Muzquiz
