Dear Mr France

On behalf of the Friends of Radford Music, I would like to thank you and your wife, Sandy, very much for attending the FORM dinner held on 29 April 1998 at the Radford Restaurant. We appreciated being able to meet you and welcome you to Canberra on behalf of the Radford community.

Thank you also for sharing some of your experiences with us and for using them to demonstrate what it takes to be a successful student and teacher. Your words had meaning for all of us - for those with an interest in music, for those of us who are students or the parents of students and for those of us who are teachers.

We look forward to developing a strong relationship with you and the percussion program at the School of Music.

Thanks again for speaking at the dinner.

Yours sincerely
