Dear Gary,

Thank you for agreeing to act as Father Christmas/Santa Claus for "The Esplanade Christmas Concert in the Park" on December 17th.

I have applied for permission for you to arrive by helicopter. We are awaiting Council, Police and then Civil Aviation Authority approval. The alternative method of transport will be by horse and carriage.

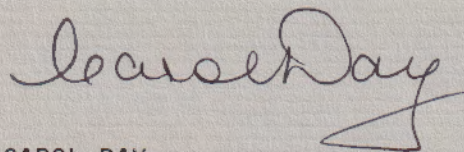

I have accessed a Santa Claus suit but not boots.

I enclose a preliminary copy of the day's programme for your interest.

It is most likely that you will be seated on a throne under the Xmas tree in the 'snow field' with the opportunity for children to talk to you and have photos taken. I will contact you closer to the time for final details.

We are most delighted to have your involvement.

Yours sincerely,
