Dear Gary:

Just a short note to say hello and let you know that I did receive your letter and passed it on for payment. I don't see any problems and just wanted to let you know that we're going to take care of it right away.

Rather than write a long letter covering all the details -- things we did and didn't do out there, etc., I'm going to give you a call. I do want to thank you personally -- you are the 'King Kong Berries', and it's guys like you and Bob Schietroma that make it all worthwhile.

So, I'll call you soon; stay cool.

Best regards,

Lennie DiMuzio
